

GOURMET OFFICE COFFEES

 Coffee leads to productivity. Good coffee leads to happy employees. Great coffee leads to extravagant displays of gratitude (or at least a couple of “World’s Best Boss” mugs).

At Caribou Coffee, we are committed to making sure each and every bean achieves greatness. It is a pursuit that takes us around the world, getting to know growers and their families on a first name basis. Ensuring we source the best coffee we can find before carefully roasting each bean to unlock its delicious and unique flavor.

2.5 oz. FRACTIONAL PACKAGES (18/CASE)

Serve a selection of great coffees across the roast spectrum with Caribou Coffee’s convenient fractional packs. **Pre-ground, pre-measured and packaged** in 2.5oz airtight bags guarantee freshness and great taste. No mess, no waste and maybe even that “World’s Best Boss” mug.
